## Vincent Cuillier

*Vincent Cuillier works two historic family parcels on the Massif de Saint-Thierry, where unusually sandy soils give his Champagnes finesse. Guided by permaculture and agroforestry, he farms with a light touch and intervenes minimally in the cellar. The wines are textured, nuanced and quietly complex, with freshness, lift and a detailed sense of place.*

## Wasenhaus

*Wasenhaus is run by Alex Götze and Christoph Wolber, who met in Burgundy on wine pilgrimages. Trained at top estates like Comte Armand, Leflaive, and Pierre Morey, & with Alex formerly vineyard manager at de Montille, they farm organically and produce Pinot Noir, Chardonnay, and a strikingly serious Pinot Blanc, all marked by quiet intensity and fine texture.*

## Philip Togni Vineyard

*Philip Togni is a Napa outlier who arrived in 1958 after training in Bordeaux. He worked with Bob Travers at Mayacamas and made Chappellet’s legendary 1969 Cabernet. From Spring Mountain, his wines favor restraint, structure, and age worthiness over ripeness, a classical legacy now carried forward by his daughter Lisa.*

## Domaine de Trévallon

*Domaine de Trévallon began as an artistic refuge when Jacqueline de la Baume and René Dürrbach settled in the Alpilles in 1960. In 1973, their son Éloi planted vines, defying local convention with an equal Cabernet Sauvignon and Syrah blend. The resulting wines are savory, structured, and deeply tied to place, an uncompromising tradition now continued by Éloi's daughter Ostiane.*

### Dominio del Challao

*By 28, Manu Michelini had logged 30 harvests across both hemispheres. Raised in a winemaking family in Argentina, he trained at Bize, Clape, and Roulot among others, before focusing on his own high elevation vineyards in Rioja Alavesa, crafting fresh, lifted wines shaped by Atlantic breezes.*
